**What:** This is a 3-day Training Workshop for the North Carolina Department of Transportation and NCDOT Consultants (and, space permitting, other NC agencies) on using Tru-Traffic for both, signal coordination, and travel time & delay studies. Days 1 & 2 cover basic topics, and are geared toward first time and/or less experienced users. Day 3 covers advanced topics and new features in version 11.0. This day is geared toward experienced users, and it build on the material covered in days one and two. Advance/experienced users may wish to attend only Days 3, while new/beginning users are highly recommended to attend the 3-day session to get the full benefits of the workshop.

**Prerequisites:** The workshop will include optional hands-on training, so participants are welcome to bring their laptop computers with Tru-Traffic 11.0 preinstalled. To install version 11.0, download the file [SetupTru-Traffic11.msi](#) and open it. If you don't already have a license to version 11.0 (in Help: About: License), contact [Greg Bullock](#) for the temporary license. The workshop will include a section stepping through how to use Google Earth with Tru-Traffic 11.0, so you'll probably want that preinstalled as well. The free version is sufficient for our purposes.

**Where:** North Carolina Joint Forces Headquarters  
1636 Gold Star Drive  
Raleigh, NC 27607

**When:** The 3-day training workshop will be held Wed. - Fri., October 7 - 9, 2015.  
9:00am to 4:00pm, with a morning and afternoon break, and a break for lunch.  
Sign-in starts at 8:30am.

**Instructor:** Greg Bullock (the developer of Tru-Traffic)  
Tru-Traffic Software LLC  
831-642-9641 (voice or fax)  
757 Bayview Avenue  
Pacific Grove, CA 93950-2508  
[training@tru-traffic.com](mailto:training@tru-traffic.com) [www.tru-traffic.com](http://www.tru-traffic.com)

**Sign-up:** The cost is \$30/seat/day for Public Agencies, \$80/seat/day Private Firms. Seating is limited. Before registering, please reserve a seat by contacting:  
Jennifer Portanova  
State Systems Engineer  
Mobility & Safety Division, NCDOT  
[jportanova@ncdot.gov](mailto:jportanova@ncdot.gov)  
Please make reservations by Fri., September 26, 2015
